Earl Lambert

A motivational speaker and inspirational story teller came by the class on March 22nd. We were very privileged to hear one of his speeches. His speech was very touching and motivating and his words certainly reached the hearts and minds of many of us. The way he spoke was very clear and of someone who has truly lived through the experiences he shared with us. Mr. Lambert even threw in a little rap song for us. We would like to thank Audrey McLaren and the Education Department for this opportunity.
